What the EMC Logo Means:

Quote from the CBA EMC Brochure:

“Every **Endorsed Member Company** is put through a rigorous due diligence process by CBA staff and the Member Services Committee involving financial stability, representation, references and proposed member discounts. Each company is put head-to-head with their competitors in a detailed review process. This process ensures each endorsed company will provide quality products and services in their category.”

About Us

Executive Insurance Agency brings you the most comprehensive single interest (VSI) insurance protection available in today's marketplace.

Since we are based right here in Georgia, we have extensive knowledge of the lending climate in the area. This allows us to provide the excellent rates and first class service our clients require and enjoy.

Executive Insurance is an **Endorsed Member Company** which has been working with community banks in Georgia since 1980.

We are totally committed to the future of community banking and consequently are setting the standard in service, knowledge and innovation in this very important area.

We encourage you to call on us for a comprehensive review of your specific needs.
